

### REMARKS

The present submission is in response to the outstanding communication as well as in furtherance to the Office Action of July 10, 2007. Applicants' response filed September 10, 2007 is reaffirmed and incorporated herein, and applicants hereby elect with respect to the Group II claims, the specie of the combination of Kremen 1 and Kremen 2, as set forth and offered by the Examiner in the initial Requirement for Restriction.

Specifically, applicants refer the Examiner to the Action to the passage noted in the present communication (pages 3-4 of the Restriction Requirement), where the combination of Kremen 1 and Kremen 2 was offered as one of the choices, in addition to the individual elections of Kremen 1 and Kremen 2, respectively. Accordingly, the election made herein is believed to be proper and in accordance with the options offered to applicants by the Examiner.

Applicants believe that the within response is curative of the informality noted in the recent Action. Accordingly, the issuance of a substantive action on the merits is now believed to be in order and is courteously solicited.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'David Jackson', is written over a horizontal line.
